

# Fearless [D, 120 bpm, 4/4]

[Default Arrangement] by Bethany Music

## FEARLESS

### Verse 1

1            2            6            4            1  
You've become our champion  
     2            6            4            1  
The life line to our souls  
     2 6 4            1            2            6            4  
Our hero from the grave

1            2            6            4            1  
You've become our righteousness  
     2            6            4            1  
The life blood in our veins  
     2 6 4            1            2            6            6 5 4  
Our savior from the grave

### Pre-chorus

                                6  
You're undefeated  
                                1  
Holding the keys to  
                                3  
Death and our chains  
4                            6  
We are living in freedom  
                                1                            5  
Standing above our enemy

### Chorus

                                4            5            6  
Because you live in us  
     2            5                            3            4  
We overcome We are fearless  
                                4            5            6  
Because you live in us  
     2            5                            3            4  
Our hopes secure We are fearless  
We are fearless

### Interlude
