Priorities for Summer Groups

1) Family 02 Groups (Freedom Groups)

These groups are for the purpose of walking people through the Family 02 booklet in order to go on a Freedom Encounter.

2) Community

We want to encourage community fun within our B-groups for the summer. We realize many people like to take a break during the summer.

Our goal is to see people stay connected and see community fun happening throughout our campuses.

Example: Picnic together, barbecue, pool party or even join an outreach as a team!

Summer of Fun will have social media giveaways!

We will have a card on Rally weekend for our B-group leaders with the summer hashtag. By taking a photo of their group during their summer gathering and posting it to social media with the hashtag, they will be entered to win some fun giveaways!
