

Hope Is An Anchor [Lyrics, 4/4]

[Default Arrangement] by James Stockstill, Dustin West

Intro

Verse

You brought me in
Laid me down at the throne of grace
Face to face
You breathed within
My soul awakened to life again
That never ends

Chorus

This hope is an anchor for my soul
Your love will never let me go
Jesus, you hold my heart secure
You are my hope, my anchor

Verse 2

Your promise stands
Your name's a refuge where I can run
My victory's won
Let hope arise,
My King is coming He is alive,
He is alive

Interlude

Bridge

I will overcome the world
Because you overcame
I will overcome the world
