

Love Like an Ocean [Lyrics, 6/8]

[Default Arrangement]

Intro

Verse

Love like an ocean
drawing me in
I'm sinking deeper,
into the water
Wash over me

I feel the tide rising,
I'm swept away
Your love is the whisper,
drawing me deeper
Wash over me

Chorus

Come like a flood,
rushing over me
Flowing through my spirit
Your love's overwhelming

Come like a wave
Crashing over me
Flowing through my spirit
Your love's overwhelming

Love Like an Ocean -

Interlude

Bridge

Your love amazes me, it amazes me
I'm sinking deep in your love
Your love is surrounding me, it's surrounding me
I'm sinking deep in your love

Instrumental
