

Your Voice [Lyrics]

[Arrangement] by Jonathan Stockstill

Intro

Verse 1

I thought you'd never say a word
I thought you'd always be silent
But then I heard a gentle whisper
That changed it all, You changed it all

Chorus

Your voice echoes over mighty waters
The Lord thunders over rising seas
Crashing like lightning, Moving the mountains
But sweet enough to be deep inside

When I am quiet and listen close
I feel your spirit leaning in
Saying the words I long to hear
You are mine, You are mine

Your voice echoes over mighty waters
The Lord thunders over rising seas
Crashing like lightning, Moving the mountains

But sweet enough to be deep inside

Your voice echoes over mighty waters
The Lord thunders over rising seas
Crashing like lightning, Moving my mountains

But sweet enough to be deep inside
