**Verse**

Has He been good to you  
Yes He has  
Given all things to you  
Yes He has  
In the moments when you've doubted  
He's been there too  
Has He been good to you  
Yes He has

**Chorus**

For all of my days  
I will sing out your praise  
You have been so good, been so good  
Oh I'm still amazed, by your mercy and grace  
You have been so good, been so good to me

**Verse 2**

Is he our champion  
Yes He is  
Doing what no one can  
Yes he is  
Is he Alpha and the Omega  
The Great I Am  
Is he our champion  
Yes He is

**Bridge**

I won't forget all your faithfulness  
I won't forget all your promises to me  
Your word remains and you never change  
You are always good
